

*Position Available Immediately:*

## PARAMEDIC FACULTY/CLINICAL COORDINATOR

The UCLA Center for Prehospital Care is the leading emergency and prehospital academic center on the West Coast. Through the UCLA-Daniel Freeman Paramedic Program, we educate over 100 students each year in three full time programs. Our student body is comprised of students from the private and fire sectors. We are currently seeking a full time Faculty Member to complement our existing faculty of experienced educators.

### ROLE

The primary responsibility of this faculty member will be to coordinate the hospital rotations and field internships. The position will also have teaching responsibilities in the didactic phase of the program.

### THE BENEFITS OF BELONGING

UCLA offers an outstanding benefits package that includes medical, dental, and vision insurance. Full-time employees are also eligible for over 3 weeks combined of paid holiday and vacation days and a two-third UCLA tuition reduction program available after 6 months of continuous service. Salary is based on education and experience.

### QUALIFICATIONS

The ideal applicant will have:

- Nationally Registered Paramedic or eligible for licensure in the State of California
- Two years minimum of field or clinical experience
- Previous primary Advanced Life Support/EMS education experience
- Previous experience in a Supervisor or Leadership role
- Current BLS, ACLS, and PALS provider certifications
- BLS, ACLS, and PALS instructor certifications (preferred)
- PHTLS provider and instructor certifications (preferred)
- Associate's Degree (Bachelor's/Advanced Degree - preferred)

Applicants must also have applicable computer skills, excellent communication skills, be able to work independently, and have skill in working and collaborating as part of a team.

### TO APPLY

This full-time benefited position is available immediately. For immediate consideration, qualified applicants should submit their resume and letter of interest by fax to (310) 680-8640 or email to Mr. William Dunne at [wdunne@mednet.ucla.edu](mailto:wdunne@mednet.ucla.edu).
